I’ve partnered with a company that offers Utility services; that is on a mission to end childhood hunger in the U.S. If I can help you save money, or match what you’re spending on your Utility bill, will you please do me a HUGE favor, and give my service a try?

I need to qualify for my position TODAY! In addition to helping me, every time you pay your bill, a hungry child is fed! Can you help me out?

Key: Be Natural (Enthusiasm + Urgency = Great Results)

1. **Pique**- “You’re open to making more money; aren’t you?”
2. **Relate**- Share WHY you are doing the business (i.e Debt, Student Loans, Hate job, Time Freedom)
3. **Edify**- “I met a very successful business owner who can show us how to get paid like Banks, Utility and Phone Companies have made money forever!
4. **Promote**-“There’s going to be an event (Day/Place/Time)! You gotta see this! Can I count on you to be there?”

If they ask questions – “I don’t know the details and if I tried to explain it I would only confuse you. I respect you enough to have you hear this exactly as I did so that you get the right information. Will you do me a favor and just trust me and look at it?”
